Dear Denmark River Probus Club

I would like to introduce myself as your local aged care consultant in the Great Southern. My role at Baptistcare is to help seniors and families in your community navigate the complex aged care system and help them to get the support they need. I offer various complimentary services to the community, including 'Demystifying Aged Care' information sessions and one-on-one consultations to help seniors explore their home care and residential care options.

Baptistcare is your local aged care provider

Baptistcare is your local Home Care Package provider. We offer home care services to seniors across the Great Southern region, supporting them to maintain their independence at home and stay connected with their community. If you're interested in finding out more about home care, please get in touch and I will be happy to help you.

Baptistcare also offers 24-hour residential care for those with higher care needs at Baptistcare Bethel Residential Care in Albany. Bethel features a secure memory support area for those living with dementia, chef prepared meals cooked fresh on site daily, an active social and activity calendar and stunning views over the town.

I'm here for your community

If your community could benefit from my services, please do not hesitate to get in touch. I am happy to arrange a free 'Demystifying Aged Care' information session for your community members, or you can pass on my details if you know of anyone who is exploring aged care options for themselves or a loved one.

Yours sincerely
