

Keeping in Touch - 23 March 2020

A big hullo to all the members of Denmark River Probus .

In these trying times , with all the businesses being forced to close or restrict their trading to some degree, it must somehow feel like we are being forced into isolation, not just those who are self- isolating, but all of us.

With this in mind, it was suggested an email be sent on a regular basis, to help keep everyone in touch.

If anyone has anything of interest to share with fellow members, please pass it on to Louise (sunyvale1@bigpond.com) and we will see that it gets out there.

Your Probus magazine has arrived, and it will be delivered to you by a friendly committee member.

So long as you are still fit and healthy, there is no reason why you can't get out and about, providing you do not go near vulnerable people or put yourself at risk. Common sense should prevail.

Wendy has asked for any funnies to be sent along as well.

Here are three to get you started. You may have read them before ,but what the heck.

Sometimes, when I look at my children, I say to myself,' Lillian you should have remained a virgin'
Lillian Carter (mother of Jimmy Carter)

I had a rose named after me, and I was very flattered. But was not pleased to read the description in the catalogue. 'No good in a bed, but fine against a wall'.
Eleanor Roosevelt.

Husband wrote in local paper.

Guys I need your help.
I'm in the middle of an
Argument with my wife
And she just told me that
I'm right ..What the hell
Do I do next?.

That's all folks, stay well, stay positive.

Cheers ,
Stuart.
