

Denmark River Probud News

Hello and welcome to our First Newsletter.

During a Foundation Meeting to assess interest in the formation of a second Probud Club in Denmark we surprised, and delighted our sponsors, Albany City Rotary Club, by initiating the Denmark River Probud Club there and then.

As a brand new club, (32 members at the end of the above meeting, and more joining daily) one of the most important tasks is to provide information about our progress and status. You will find these details below.

Although we have not yet received authentication from South Pacific Probud we are confident that it will occur and as such have forged ahead with planning our future.

A newsletter is an excellent conduit for communication between members and I encourage active participation with the provision of any data you would like shared with other members. As you are aware the club will meet at 10h30 on the 1st Wednesday of each month at Lions Lair, Inlet Drive it is therefore my intention to publish future Newsletters by the third Sunday of the month thus giving prospective contributors just over two weeks to send in their articles for inclusion in the next publication. e-mails can be sent to contact@denmarkriverprobud.org.au

We are also in the process of building a website and will keep you apprised of our progress.

I look forward to your contribution/s to our Newsletter and to meeting you all at upcoming meetings.

Carmel Stott - media

PRESIDENTIAL ADDRESS

Hello fellow Probudians

Welcome to our first newsletter, and on behalf of the committee we look forward to catching up with as many as possible at our first monthly "morning tea" meeting at the Lion's Lair on Wednesday 1st October, and the 1st Wednesday of each month thereafter.

We are busily organising some outings and various activities to keep us all occupied.

We are already up to 39 members and I believe we can go to 60, so if you have any friends who are interested in joining then please ask them to get in touch with Wendy Lind.

treasurer@denmarkriverprobud.org.au

I think we are going to be a very successful Probud Club.

See you all on 1st October 2014.

Regards

Cliff Jefferson – President.
