## Lower Great Southern Alliance

The guest speaker for April was Sue-Ellen Shaw, who represented the Great Southern Alliance. This is an organisation formed in 2015, to promote the

economic interests of the City of Albany, the Shire of Denmark and the Shire of Plantagenet. It aims to encourage growth in agriculture, industry and tourism, and streamline the marketing process by combining forces under the logo "Amazing Great Southern."

Tourists will be encouraged to come to our region for a longer stay in order to see the attractions that all three communities have to offer.

The three local authorities have signed a memorandum of understanding to work together in promoting the region, rather than competing with one another.

They are looking at the economic opportunities of agriculture, fisheries, renewable energy, education and health and investigating the opportunities for resource sharing and economy of scale.

It was inspiring to see the enthusiasm that Sue brings to her job and we will no doubt watch with interest to see how her efforts bear fruit. en doing it tough somewhere off the beaten track.
